Hongkond, April 10th, 1877.

THE recent action of the Singapore Govern ment in passing the "Bill to make provision by law for the protection of Chinese Immi- from sudden or reckless legislation. With grants" is most undoubtedly, a step in the right direction. The anomalous condition of the Chinese population of the Straits, as regarded its due subservience to British law. had, for some time past, been a scandal Colonial Administration. Left almost ontirely to themselves, the numerous clans int which they are divided appear to have erected statute and local law has hitherto been trises the formation of depots and arranges. powerless to deal. The whole subject for the disposal of labour. It makes breaches has at length been taken in hand of written engagements to labour punishable. the days of secret societies or horge will ero supplies a much needed want, and, as relong be numbered; and not the least import gards immigration alone, is ferhaps suffic states and other countries.

ant of the measures brought forward to deal | clently satisfactory. But we hope ere long with the evil of which those societies were to see the question of Secret Societies -abodirectly or indirectly the source is that under lished by Ordinance in Hongkong more than Embassy in 1816, and having been the first baving ba notice. Native immigration was, until a twenty years ago dealt within a more com- Governor of Hongkons alter the conclusion of line very suspicious manner and recognised as elegate the harvest from its blabber. very recent period, virtually controlled by probensive manner. The brokers who intro- munity which enjoys British protection duced labourers were in all cases secure of should be able to place itself outside of the protection of some powerful organization above the law. whose numbers combined to enable him to set Colonial law at defiance, if so minded.

To ascertain the extent of the abuses known

or suspected to exist, a Commission was

in June last appointed to investigate the

subject. A copy of its Report and of the

on their more salient points may be or

interest to both foreign and native readers:

Upon this head little adverse comment is.

made. It is not, in the opinion of the Com-

mittee, until the vessel conveying labourers

bas reached Singapore that any notable

abuse is perceivable. This abuse lies in the

Kay-tows or Head-men who bring down the

coolies, regulating their dolarkation not by

the terms of their passage tickets but accord-

down for Singapore and Penang while only

eighty are wanted, the remaining twenty are

which places the British Government has, of

bears a suspicious likeness to the worst

feature of the old Peruvian or Havana coolie

trade needs no demonstration. As regards the

condition of those coolies who remain in the

Straits Settlements en permanence the Re-

port is rather favourable than otherwise.

But here we come to what we have above

described as the direct or indirect sources of

abuses-the Secret Societies. As the Com-

formation as to the extent of these pestilential

societies and not considered dangerous;

in Singapores they are 6 in all and number

is by far the most numerous. It is reputed

to have existed in China for some centuries,

its object being the restoration of the Ming

dynasty. Its object in the Straits Settle-

ments is described to be "the maintenance

of a government of its own amongst its

members" and it is alleged to inflict even

capital punishment upon recalcitrant bre-

thren. The Toh Pek Kong, which appears

to be the second in numbers, and has its seat

hok, Hai-san, Ghee-kee, Ghee-sin, Yo-seng,

and Tsun-sing-making nine in all. Well

SHANGHAT. Luk Aon, a howker, was sentenced to six. A whole was washed on shore on the North The animal is stated to have been fifty-five feet in length, and to have weighed about two handred and forty picule. We understand that the lower jaw has been seenred of the Asians Society's Museum.

The late Tarter General of Fobkien, accompanied by his family and a large suite of attendante, occupying two steam-gunboate, arrived at Shanghai on the lat inst. en route for Paking. One of the vessels was moored in the straum. and the other laid alongeide the wharf. The latter was housed in the deak being converted into a reception-hall; and mearly all day on the 2nd met, the French Bund was enlivened by the arrival and departure of numerous visitors. The General will resume his voyage to Tientain in the course of a day or two:-

It scome that the Bussian steamer Batrak grounded on the Blockhouse spit during the night of the 29th ult. Boing unable to get off with her own power, three tug bosts and about half a dozen lighters went to ber assistance The greater part of ber cargo, coals from Nagaeaki, had to be either lightered or jettisoned and it was not until midnight on the let inst. that she was towed off. During the night of the Soth ult, a high son was running, and one of the lighters was swamped. It has not quite disappeared, and it is expected that it will soon to rused. The Batras came up the river on

the 2nd inst., and anchored below the Nava About 2.30 a.m. on the 2nd inst. a shooking attempt to murder was made on board a native bont on the Soochow Oreck. Two boats were moored together, a man and woman forming the craw of one, and a mun only that of the other. This man solicited the woman to come to his bout, but the request was overheard by her comimmediately took up a heavy wood-chopper and attacked him savagely, fracturing his skull in two poems and personal sketches of his literary sunplaces and inflicting a severe sculp wound besides - temporaries. An alarm was given, and the injured man was rescued and removed by the Police to the Shantung_road_Hospital, where he now lies in a The Magistrate considered the case too serious for him to deal with, and sent both the soonead and the woman into the City to be dealt with by the Obebsien. The woman treats the affair with great coolness. On being questioned as to its commencement she merely said she saw the men begin to fight, and knew no more about

On the 2nd instant the doubled tax on wheelbarrows came into force, the coolies being now required to pay 400 cash each per month instead of 200. Nearly all of them have struck against the additional impost; and some bundreds, without their barrows, assembled in the precincts of the Mixed Court, and sought the advice and under very difficult ofroumstances, by Dr. Edprotection of the Magistrate. Ohen at once bastoned to the Central Police Station and reported the matter, but was of course told that the Police had no power to interfere; it was at work on " Hereditary Instinct as bearing on Municipal order and must be carried out. It Pre-existence, which he hopes to send to the also appeared that nearly all the coolies were printer very shortly. The central thesis of this prepared with their ordinary tax of 200 cash sach, which was all they had in their possession. Thre the result not of inherited muscular faculties, and that although some of them were willing but of repeated notions on the child's part in its to pay the double tar, they were unable to do so for want of means. Others, again, evinced a determination to reaist the increase, and several who had paid the 400 the Chinese, entitled "Journal d'un Mission en cash and received their license, were way- Cores." The Journal is that kept by Kwei Lin, laid in the village opposite the Race course who was sent on a special mission to Corea by in the course of the forencen, and robbed of Emperor Tung-Chi, in 1860, and it promises to their ticket, which was instantly torn up and be interesting. The translation has been made thrown away. On these facts becoming known by Mr. F. Scherzer, of the Branch Legation at to the Police, measures were taken to prevent Peking. euch attacks, and constables were detailed to Millais will exhibit this year, "Effie Deans watch in all quarters. ENGLISH AND CHINESE DICTIONARY. WITH THE PUNTI AND MANDARIN PRONUNCIATION. An Anglo Chinese Dictionary, published at the Daily Press Office, Hongkong.

LIOR comprehensiveness and practical service this Work stands unrivalled. All the new words which the Chinese have of late years been compelled to coin to express the numerous objects in machinery, photography, telegraphy, and in science generally, which the rapid advance of foreign relations has imposed upon them, are here given in estates. Each and every word is pany call SPECIAL ATTENTION OF fully illustrated and explained, forming exer. SHIPPERS to the low rates of premium cises for students of a most instructive nature. Both the Court and Punti pronunciations are Brokerage of THIRTY THREE and ONES. given, the accents being carefully marked on THIRD PER CENT. (331 %) will be allowed JEDDAH, British steamer, Clark.—Geo Choong it is necessary that the following rules be the best principle hitherto attained. The typo. on risks to ports in Chins, Japan, the Philipgraphy displays the success of an attempt to pines, and the Straits. On risk to all other make the Chinese and English type correspond ports the Brokerage will be FIETEEN PER in the size of body, thereby effecting a vast CENT. (15 %) only. economy of space, schieving a clearness not previously attained, and dispensing with those vast margins and vacant spaces which have heretofore characterized Chinese publications. For practical purposes the arrangement of the work is so complete, that a reference 5 to 7 fresh. 7 to 3 strong. 8 to 10 heavy. 10 to 12 violent. to its pages enables a person who understands English to communicate effectively with natives who understand nothing but Ohinese. In this respect the work will be found T. Thunder. U. Bad, threatening, V. Visibility. W. Storm indispensable to all Europeans residing in Chine, and to the natives themselves it oxplains subjects fully with which very lew indeed of them are perfectly acquainted. To parties resident in England and interested thing it cannot but be invaluable occasionally. To illustrate the vast scope of the work, the following facts are submitted for consideration. Chalmers Vocabulary contains about 18,000 Chinese characters, and Medhurst's English and Chinese Dictionary about 100,000, whilst this work contains more than 50,000 English and and inwards of 800,000 Chinese charact TIME and resigned having been approinted

ters. Agents for the grammars and A. Agents for the above Corporation, other elementary works as yet published, the atudent of this difficult language absolutely requires eramples to display the various applications and equivalents of different words which have me reneral meaning. Of these example this work contains more than five times as many at any other Dictionary Litherto pub-It comprises upwards of two thousand large
